Why are computer programmes important?

# How can you help your child at home?

Below are some suggested activities you may like to try with your child.

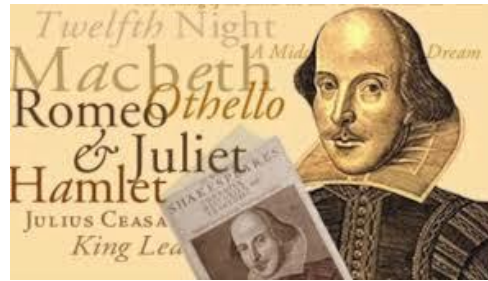

## How to be an Author.

Who was William Shakespeare?  
What other plays did he write?

## How to be a Scientist.

What objects are magnetic at home?  
Why are some surfaces slippery and others not?

### Ways to support your child:

Make sure your child attends school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
