How can you help your child at home?

Below are some suggested activities you may like to try with your child.

How to be an Historian.

Who were the Anglo Saxons and when did they live?

Who was Alfred the Great?

Ways to support your child:

Make sure your child attends school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.

How to be a Scientist.

Can you name the planets in the Solar System?

How do the Earth, Sun and Moon move around each other?
