How can you help your child at home?

Below are some suggested activities you may like to try with your child.

How to be a Writer.

Try writing a diary – about things that are happening in your life and how you are feeling. How can you make it interesting to read?

How to be a Historian.

Do some research about why the Mayans died out? What do you think happened? Why?

Ways to support your child:

Make sure your child attends school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
