

Year R Learning Journey

Week beginning 3rd June

This week our topic will be

'Stories of our own!'

This week we will be learning how to create a story. We are going to role play the stories, draw different characters and story maps. We will write our own stories using finger spaces, capital letters and full stops.

In maths we will be learning about time and clocks. We also will be recapping the positional language and practising how to use it correctly.

Sound of the week:

ou or ar

Words of this week:

there were was

Please remember:

* Read every day with your child for at least 15 min. talk about the book and make a record in their reading logs. Reading at home regularly does make a difference!

* P.E. DAY — Both classes have PE on Tuesday morning! Please ensure your child has a PE kit in school.

* Please remember to label EVERYTHING; particularly school sweatshirts, t-shirts, coats and PE kits.

* Please remember to check your child's book bag and take out all the important letters that we send home.

How you can help at home:

- This website provides some fun ideas to support your child in developing their fine motor skills.
<http://www.learning4kids.net/list-of-fine-motor-play-activities/>
- Use everyday objects around your house to explore doubling and halving.
<https://www.youtube.com/watch?v=8gbTD8rJhXA>
- Practise recalling doubles and halves by playing this game on your computer

Home Challenge:

- Create your own story about your toys, magical characters or anything you wish... Can you draw a story map? Can you write what's happened in your story?
- You can draw, write or take a photo of your home challenge and bring it to school so we can all share. The best story will win a prize!
