Year R Learning Journey
Week beginning 4th February

This week our topic will be 'Farm animals'

We will be reading the story 'The Pig is in the Pond' and learning all about different farm animals.

In maths we will be challenging ourselves to add and to take away using objects. We will be learning how to write a number sentence to show what we have done.

The vocabulary for maths this week: add, more, make, total, altogether, less, take away, subtract, fewer, equals, jottings, how many are left, number sentence.

Sounds of the week:

Words of this week:

you they my

Please remember:

* Read **every day with your child for at least 15 min.** Talk about the book and make a record in their reading logs.
* P.E. DAY — Both classes have PE on Tuesday morning! Please ensure that your child has their PE kit and remove all the jewellery or cover with tape on this day.
* Our spare clothes are running very low…If you have any spare pants, socks, leggings, trousers or tops, we would be very grateful of the donation. If your child comes home in school clothes, please wash and return as soon as possible. Thank you

How you can help at home, such as…

➢ Play a Keyword treasure hunt with your child! Ask your child to write the words on sticky notes and then hide them around your home. Give your child 5 min to find the words. They can only 'win' the word if they can say it.

Home Challenge:

➢ Sing one less songs (songs that count down) e.g. 10 speckled frogs, 10 green bottles…
➢ This website provides some fun subtraction games. Play some games on the computer!

You can draw, write or take a photo of your home challenge and bring it to school so we can all share!

For your Information

We would like to invite you to come to school on Thursday 14th February at 2:50 to reflection afternoon. We would like to celebrate all the amazing learning that the children are doing in school every day and to think about their next steps together. We look forward to seeing you!
