

Year R Learning Journey

Week beginning 4th March

This week our topic will be 'Dinosaurs'

We will be learning all about the dinosaurs. We are going to discover some huge eggs in the woods and write a letter about it, using our letter sounds to build simple words and sentences.

In maths we will be learning to add. We will be recording addition number sentences and using different strategies such as using objects, counting on our fingers and counting on to work out calculations.

Sounds of the week:

oo ar

Words of this week:

all have are

Please remember:

* Please remember that we close the door at **8.55**. Could you please ensure that your child is in school on time as we start our learning straight away once the children come in!

* Read every day with your child for at least 15 min. talk about the book and make a record in their reading logs.

* P.E. DAY — Both classes have PE on Tuesday morning, make sure your child has their PE kit.

* **Please remember on Friday 8th come dressed up as your favourite book character!**

Home Challenge:

- Practise simple addition. Look through your window. Can you see any cars? Can you add up the numbers on a car registration plate? Can you record number sentences?
- Please bring in any Dinosaur books you have at home that you do not mind us looking at. These could be stories about dinosaurs or information books. (Please ensure your child's name is in them.)
- Learn more about the dinosaurs.

You can draw, write or take a photo of your home challenge and bring it to school so we can all share!

For your Information

At Tanners Brook Primary School we believe that it is very important for children to develop a love of books and enjoyment from reading at a very early stage. We are going to celebrate World Book Week and we would like to invite you to come to school on Thursday 7th March at 2:40 to **Reading Afternoon**. We would like to have as many parents as possible come in to share a book with the children. We look forward to seeing you!
