

Year R Learning Journey

Week beginning 5th November

This week our topic will be **Goldilocks and the three bears**

We will be learning all about the story. We will taste the porridge; make the puppets and act the story out.

In maths we will be learning about size and length. We will be comparing and ordering the beds, chairs and bowls. We will learn how to measure things using non-standard units and begin to look at rulers.

Words of this week:

go to put

Please remember:

* P.E. DAY — Both classes are having PE on Tuesday morning. Please leave your child's PE bag at school. **Please remember to remove all jewellery on this day, or cover earrings with tape.**

* Please remember to label EVERYTHING; particularly school sweatshirts, t-shirts, coats and PE kits.

* Please remember to check your child's book bag and take out all the important letters that we send home.

Sounds of the week:

b f ff l

How you can help at home:

- Keep practising with your child daily their letter sounds and key words. Can they write them?
- Read with your child and talk about the books that you read.

Home Challenge:

- We would like you to write a letter from Goldilocks to say sorry for breaking into bear's cottage, for eating the porridge, breaking the chair and sleeping in baby bears bed.
- Can you find 4 different sized shoes in your house and put them in order? What else can you find to order by length?

You can draw, write or take a photo of your home challenge and bring it to school so we can all share!

For your Information

We would like to invite you to come to school on Tuesday 6th November at 9:00 to a Parents' workshop. We are going to discuss the way we teach phonics, reading and to answer any questions you might have. We look forward to seeing you!
