

# Year R Learning Journey

Week beginning 8<sup>th</sup> July

This week our topic will be 'Superheroes'

We will be looking at and talking about different superheroes. We will be designing our own superhero and using all the skills that we have learnt to write about them.

We are going to complete superhero challenges, go on secret missions and have lots of fun!

In maths this week we will solve superhero problems and work on different maths investigations applying the knowledge and skills that we have been taught during the

In phonics we will be recapping all letter sounds and focusing on application.

## How you can help at home:

- Can you talk to your child about moving on to Year 1 in a positive way? Talk about things that they feel very excited about e.g. their new friends, new classroom... Ask them are they feeling worried about anything? If so, allay their fears, everyone in school will still help them!
- You can play this reading game to support your child with their sounding out and blending skills.

## Home Challenge:

- Can you draw, paint, collage your own superhero? What cape, mask, badge, gadgets, and super powers would they have? Can you label your work? Can you write some sentences about your superhero?
- You can draw, write or take a photo of your home challenge and bring it to school so we can all share.

Words of this week:

children you

## Please remember:

\*Read every day with your child for at least 15 min. talk about the book, ask them to give reasons for their answers and make a record in their reading logs. Reading at home regularly does make a difference!

\* From next week we will start collecting in our Home reading books.

\*If you have any questions about your child's report, please phone the office or see your child's teacher to make an appointment.
