

Year R Learning Journey

Week beginning 10th June

This week our topic will be 'Pirates'!

This week we are starting our topic about pirates. We will be making treasure maps and other pirate accessories. We will learn all about what it is like to be a pirate. We will be writing character descriptions remembering to use adjectives.

In maths we will be using objects and jottings for doubling and halving. Then we will apply our skills when playing games and solving real life problems.

Words of this week:

some come like

Please remember:

* Read every day with your child for at least 15 min. talk about the book, ask them to give reasons for their answers and make a record in their reading logs. Reading at home regularly does make a difference!

* P.E. DAY — Both classes have PE on Tuesday morning! Please ensure your child has a PE kit in school.

* On Wednesday 26th June we will have the Early Years and KS1 Sports Day and all parents will be invited. A letter with more information about it will be sent home shortly.

In phonics we will be recapping all letter sounds and focusing on application.

How you can help at home:

- You can play this pirates phonics game to support your child with their sounding and blending skills.
<http://www.phonicsplay.co.uk/BuriedTreasure2.html>
- This website provides some fun ideas to support your child in developing their fine motor skills.

Home Challenge:

- Can you make your very own pirate ship? You can build it using any junk such as old boxes, plastic bottles...You can draw or paint! It is completely up to you!
- You can draw, write or take a photo of your home challenge and bring it to school so we can all share. Maybe we could even test our boats in water to see if they would float or sink?
