

# Year R Learning Journey

Week beginning 17<sup>th</sup> June

This week we will be continuing with our topic about Pirates!

On Monday **please come dressed up as a pirate** because we will all set sail on an adventure!

This week we will create story maps and use all the skills that we have learnt to write our own pirate adventure story.

In maths we will be recapping numbers, addition and subtraction and using our skills to solve problems.

In phonics we will be recapping all letter sounds and focusing on application.

Words of this week:

**all one they**

## **Please remember:**

\* Read every day with your child for at least 15 min. talk about the book, ask them to give reasons for their answers and make a record in their reading logs. Reading at home regularly does make a difference!

\* P.E. DAY — Both classes have PE on Tuesday morning! Please ensure your child has a PE kit in school. Please note this half term every child is expected to change for their PE session independently.

\* On Wednesday 26<sup>th</sup> June we will have the Early Years and KS1 Sports Day so get fit and get ready!

## **How you can help at home:**

- You can play this pirates phonics game to support your child with their sounding and blending skills.  
<http://www.phonicsplay.co.uk/BuriedTreasure2.html>
- This website provides some fun ideas to support your child in developing their fine motor skills.  
<http://www.learning4kids.net/list-of-fine-motor-play-activities/>

## **Home Challenge:**

- Can you make your very own pirate ship? You can build it using any junk such as old boxes, plastic bottles...You can draw or paint! It is completely up to you! Can you think of your very own adventure story? Where would you sail with your ship? What's going to happen on your adventure?
- You can draw, write or take a photo of your home challenge and bring it to school so we can all share. Maybe we could even test our boats in water to see if they would float or sink?
