

Year R Learning Journey

Week beginning 18th March

This week our topic will be 'Growing'

We will be learning about ourselves and growing older. We will be talking about how we change over time and write what we would like to be like and what we would like to do when we get older.

In maths we will be learning to add and subtract. We will be recording number sentences and using different strategies such as using objects and counting on or backwards to work out calculations.

Sounds of the week:

oa er

Words of this week:

little you put

Please remember:

* Please remember that we close the door at 8.55. Could you please ensure that your child is in school on time as we start our learning straight away once the children come in!

Read every day with your child for at least 15 min. talk about the book and make a record in their reading logs.

* P.E. DAY — Both classes have PE on Tuesday morning. Please leave your child's PE kit bag at school. **Please remember to remove all jewellery on this day, or cover earrings with tape.**

Home Challenge:

- Talk with your child about your childhood, teach them some of your favourite games that you played when you were little!
- In a named envelope please can your child bring some photographs of them as a baby and as a toddler? You could also email your photos to info@tannersbrookpri.org.uk We will be using these to look at, how we have changed over time...
- This website provides some fun subtraction games. Play some games on the computer!
<http://www.rabbittakeaway.co.uk/activities/>
- Practise simple addition and subtraction. Work out addition and subtraction using a numberline. Ask your child's teacher if you would like some numberlines to take home.

For your Information

We would like to invite you to come to school on Thursday 4th April at 2:45 to reflection afternoon. We would like to celebrate all the amazing learning that the children are doing in school every day and to think about their next steps together. We look forward to seeing you!
