How can you help your child at home?

Below are some suggested activities you may like to try with your child.

How to be a Scientist.

What could you use to keep an ice cube cold **and** a pizza hot?

Why do only some metal objects go rusty?

How to be a sculptor.

Look out for sculptures around the city – which ones do you like and why?

Who was Henry Moore? Describe one of his sculptures.

Ways to support your child:

Make sure your child attends school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
