How can you help your child at home?

Below are some suggested activities you may like to try with your child.

How to be a Geographer.

Look at different maps- what do you see? What do the symbols mean?

How do places change over time?

How to be an Artist.

How do artists create different sea scenes?

Can you paint different sea scenes using different colours and shades?

Ways to support your child:

Make sure your child attends school daily and punctually.

Read together daily and practise phonics.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
