

# Year R Learning Journey

Week beginning 28<sup>th</sup> September

This week our topic:  
'Owl babies'  
by Martin Waddell

The children will continue learning all about themselves and their families.

In Literacy, we will be exploring the story *Owl Babies*. The children will sequence the story and enjoy acting it out together.

In Maths, our focus will be on comparing sizes, lengths, and amounts. We will also be singing number songs and traditional nursery rhymes such as *Once I Caught a Fish* and *Twinkle, Twinkle, Little Star*.

We will be learning about friendships—thinking about what makes a good friend, how we can be kind to each other, and ways to make new friends.

## **Please remember:**

\* Friday is P.E. DAY. Please remember to remove all jewellery on this day, or cover earrings with tape. Children should come to school wearing their PE kit or active uniform so that we can all enjoy our PE session safely!

\* May we kindly ask that, if your child is not yet able to tie their shoelaces, they **wear velcro shoes** to school. This makes things easier for them, supports their independence, and helps us make the most of learning time. Thank you very much for your support.

Sounds of the week:

**i n p g o**

## **How you can help at home:**

- Practise name writing with your child (capital letter for first letter only).

X ELLA  
✓ Ella

- Help your child to recognise their own name at home.
- Practise dressing and undressing independently.
- Please read to your child as much as possible.
- Watch the story [Owl Babies](#)
- Practise the sounds your child has learnt in school. Can they think of any words starting with that sound? Can they write them?
