Pupil Premium Policy for Tanners Brook Primary School

1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils (students at secondary schools) are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2020-21\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what academies should publish online](#), and complies with our funding agreement and articles of association.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

The HISP Multi Academy Trust has taken the following areas into consideration when deciding how to use the pupil premium within trust schools:

- The context of the school and the main challenges/barriers our pupils face
- Evidence-based research and resources from the [Education Endowment Foundation](#) and the [HISP Research School](#), and learning from what works in our schools
- The broad range of needs of the cohort along with the wider school targets; group and individual needs are also taken into account
- School strategies will be shared with parents/carers and feedback will be taken as appropriate

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra support
- Employing/redeploying teaching assistants
- Running interventions
- Providing targeted tuition where needed
- Funding educational trips and visits
- Ensuring there is effective management of the Pupil Premium grant within school

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Information on how the school uses the pupil premium is available on the school website.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible school-age pupils between reception and Year 11.

Eligible pupils fall into the categories explained below:

5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.
