

## Breakfast/After-School Club Update

Dear Parents/Carers

Following your feedback, we have made some updates to the booking process for the breakfast and after-school club. From 7<sup>th</sup> September booking will be open to book for the whole term. You will be able to book for the same day or the whole term if needed. Please ensure you are using the Autumn term booking tab as there may be 2 options until the end of this month. Please ensure you are booked by 2:30pm each day for either the after-school club or breakfast club the following day so that we can ensure we have the correct registers and enough food available!

If you are paying by childcare vouchers (e.g. Kiddi Vouchers or Government Funded) we may need to provide you with a unique code to facilitate this and we will need to change your payment settings. If you are using vouchers, please fill in [this form](#). You will then be able to book, and the balance will appear as negative. You will need to draw down your vouchers to ensure this balance is topped up.

Our government tax-free childcare unique reference: 142076

If you are not paying by childcare vouchers, please note you will no longer be able to go into a negative balance and sessions will need to be paid for at the time of booking.

Thank you for your support so far,

Jess Paul
