

9 January 2023

Dear Parents/Carers,

As many of you know, we took over the running of the breakfast and after school club at the beginning of September after KidzClub made the decision not to return at the end of the summer term. Although this involved a lot of last-minute organisation and a few teething problems with our Arbor Parent App, we knew how important this offer was to many families within our school community and we are really proud to have The Brook as part of our school. It has been fantastic to see the children enjoying it!

You can join us for 'Breakfast at The Brook' from 7:30am every morning, or 'Tea at The Brook' until 5:45pm each evening. We accept all forms of childcare vouchers and can provide receipts for those families that need to provide evidence for Universal Credit or military childcare support. More information can be found on the school website: [Tanners Brook Primary School - Before & After School Care](https://www.tannersbrookpri.org.uk/Before-After-School-Care)

To extend our childcare offer, we are exploring the idea of a partnership with Testlands Holiday Club who can provide a holiday club at Tanners Brook starting in February half term.

This would be available every weekday in the holiday from 8:30am-3:30pm with a range of fun activities including sports and arts and crafts. Prices will be confirmed once we have agreed the full partnership, but will be approximately £25/day payable to Testlands Hub. The club would be available to children from Tanners Brook and other families in the local area, so please feel free to share with other local families who may be interested.

Testlands offer a longer day at Oasis Lordshill for those families who may be interested. They also offer a range of free or low-cost term time activities that you may be interested in. Explore their website or FaceBook page to find out more: [Holiday Club | testlands](https://www.testlands.co.uk/Holiday-Club)

If you would be interested in the holiday club at Tanners Brook, please email info@tannersbrookpri.org.uk with Holiday Club as the subject line.

Many Thanks,

Jess Paul
Executive Headteacher
