

Would you like to be part of making our school an eco-friendly place?

Have a passion for our planet and sharing this love with others?

Being an Eco-warrior could be for you!

We are looking for one eco-warrior from each class to take responsibility for making our school an even more eco-friendly place. We are looking for children who are **responsible**, **good decision makers**, can **work as part of a team** and **committed** to their role as eco-warrior.

What being an eco-warrior means:

- looking after our school
- making decisions that create an eco-friendly environment
- Litter picking
- Recycling and being part of the school council recycling project
- Persuading people to make a change for the better

If this is something you would be excited to be a part of, you will need to create a speech/presentation to your class. After the candidates have put themselves forward, the class will vote for their eco-warrior.

**All votes need to be completed and submitted to Miss Davies by
Friday 10th February 2023.**
