

Tanners Brook's Great Big School Tidy Up!

Dear Parents/Carers and all members of the Tanners Brook community,

On **Saturday 30th September 2023** from **10am – 4pm**, Tanners Brook Primary School is taking part in the Big School Tidy Up.

We are inviting all members of our community to come and help with tidying, planting, and getting your hands dirty to make our school grounds the best it can be to support the children with having many fabulous outdoor opportunities.

Everyone is welcome and do not worry if you do not class yourself as green fingered as there will be a job for everyone.

The help we will include the following:

- **Digging**
- **Planting**
- **Weeding**
- **Making outdoor resources**
- **Tea and coffee makers (maybe cake too!)**
- **Litter picking**
- **Cutting back hedges/brambles**

We will be talking to local businesses about donating plants, flowers and other resources (such as recycled materials that could be used as planters). If you know of any businesses that would be willing to do so or have your own donations, please speak to the office or Miss Davies (community lead).

We look forward to seeing as many members of our community as possible all coming together to provide a wonderful learning environment for the children.

Please bring a picnic and we can all have a picnic lunch on the field.

Yours sincerely,

Miss Davies

Year 5 teacher
