

Year 3 Homework and Stone Age

Dear Parents

As part of our History and Science work on the Stone Age and Rocks and Soils, we are having a Stone Age Day, which will take place on **Wednesday 15th November**. We intend to have a go at hunting and gathering, testing rocks and soils and investigating and making our own fossils.

On this day, we would like the children to dress up as a Stone Age person or an archaeologist. Please see the costume ideas below for inspiration. If dressing up as a Stone Age person, your child could wear anything with animal print, ideally no bright colours. If dressing up as an archaeologist your child could wear anything related to dinosaurs/bones, or even jeans, wellie boots and a plain t shirt.

In addition to this, over the half term holiday we would like the children to create a Stone Age project. They could make a model of Stonehenge, a poster, a fact file, some cave drawings or a painting. We will be awarding certificates to everyone who tries their personal best. The projects need to be brought into school by Friday 3rd November.

We hope you have an enjoyable half-term break and are looking forward to another exciting half term in Year 3!

Yours sincerely

The Year 3 team
