

9 November 2023

Dear Parents/Carers,

I am really looking forward to seeing as many of you as possible for parents evening appointments on 21st and 23rd November. Appointments can be made using Arbor parent app and will go live on Monday 13th November at 7.00pm.

It may be worth allocating a little extra time when you come in so that you can visit our halls.

In both halls, the following will be available:

- Uniform sale
- Second-hand book sale
- Aspens (our school meal providers) will be cooking some delicious tasters
- Tea/coffee
- Members of the Senior Leadership Team will be on hand for any questions or comments
- Information about The Brook - our very own breakfast and after school club

In the KS2 hall, there will also be representatives from both Redbride and Regents Park secondary schools.

We do hope you can join us next week.

Kind Regards.

Ingrid Dowse
Head of School
