Year 3 Art and Italy Homework

Dear Parents

As part of our Artwork this half term, we are building upon the observational drawings we completed in year 2. We have been learning mark making skills and how tone can be used to create a more realistic image. We would like to put all of these skills into practice and produce a drawing of our favourite toys using the techniques studied and practised.

On **Tuesday 6th February**, please can the children bring in a toy to draw. We would like to request that the children bring sensibly sized soft toys, dolls, cars, action figures or something similar. Please do not bring electronic devices and ensure all toys are labelled with your child's name and class.

In addition to this, over the half term holiday we would like the children to create a project about Italy. They can be as creative as they like with this task. In previous years, children have made posters, fact files, drawings and paintings. We look forward to seeing how creative the children can be. The projects need to be brought into school by Friday 23rd February.

We hope you have an enjoyable half-term break and are looking forward to another exciting half term in Year 3!

Yours sincerely

The Year 3 team
