SATS INFORMATION MEETING

Dear Parents/Carers

With Y6 SATs not far away now (in the week beginning 13th May), we would like to offer you the opportunity to find out more about them in a SATs information meeting.

We will be discussing the tests that your child will be completing, how the test week runs (including breakfast club and SATs fun day) and how to prepare your child for the tests.

This meeting will take place on **Thursday 18th April at 4pm.**

Please indicate on the slip below whether you intend to attend so we can provide the appropriate amount of seating. Y6 children are welcome to attend but please note that this meeting is not suitable for younger siblings.

Please do not worry if you are unable to attend – we will send out the information with children following the meeting.

We look forward to seeing as many of you there as possible.

Yours sincerely,

Laura Phillips
UKS2 Phase Leader
