- Monitor and evaluate the effectiveness of the policy.

4. Golden Rules

The behaviour system is based on five Golden Rules which provide the children with a clear and consistent structure for their behaviour. Children will therefore know how they are expected to behave. By following these rules, they will demonstrate the school's vision and values.

Our 5 Golden Rules are:

We strive for our personal best
We listen
We are kind and caring
We tell the truth
We look after our school

Children are taught the Golden Rules in class and assemblies at the start of the academic year and at regular intervals throughout the year.

These rules outline the expectations for behaviour in the classroom, in the wider school environment and in the playground.

They are used to support positive behaviour management.

HISP Multi Academy Trust

Tanners Brook Primary School

Behaviour Policy

They are used to provide the children with reminders of behaviour expectations.

The Golden Rules are displayed in every classroom and in various shared areas (see appendix 1)

5. Rewards and Consequences

5.1 Rewards

Praise and positive encouragement are used to promote the expected behaviour. The aim of our vision and values is that children strive to be intrinsically motivated. Therefore, children are given praise and success is recognised on an individual and group basis through:

- Non-verbal e.g., smiles, thumbs up, pat on the shoulder.
- Verbal praise e.g.: “Well done for striving for your personal best.” “I am pleased that you are walking silently to assembly.”
- Written feedback praising effort and achievement (Great Green)
- Moving up the rainbow /behaviour chart (appendix 3).
- Being awarded a personal best nomination slip to be taken home at the end of the day.
- In Early Years and Year 1, any child who reaches the top of the rainbow at the end of the day will be given a sticker to wear home.
- Being awarded a personal best point and certificate for being chosen as the personal best champion (appendix 8).
- Being awarded a Head of School personal best point for exceptional work or effort.
- Phase assemblies in which personal best champions are celebrated.
- In KS2 Personal Best points help house points.
- Social media posts to celebrate achievement and effort.
- Reward afternoons on a half termly basis to recognise consistent excellent behaviour.

5.2 Consequences

All children in EY/KS1 start the day on ‘Good Green’. Children in KS2 start on the white zone of the behaviour chart.

Step one: Reminder

Reminder of the expected behaviour (referring to the specific rule that is being broken). E.g., “This is a **reminder** that we face the front and listen. Thank you.” At this point the rainbow/behaviour chart is not affected.

Step two: Verbal Warning

Verbal warning for continued poor behaviour. “I’ve reminded you to face the front and listen. This is now a **warning** that unless you do so, you will miss some of your play.” At this point the child’s name will be moved down the rainbow or to yellow on the behaviour chart.

Step three: Consequence

HISP Multi Academy Trust

Tanners Brook Primary School

Behaviour Policy

The child will be given a **consequence** for non-compliance. “You have had a reminder and a warning, but you are still choosing to not listen. Therefore, you will miss 10 minutes of your breaktime.” At this point the child will move to red on the rainbow/behaviour chart. The adult writes a behaviour slip (see appendix 4), actions the 10-minute detention and informs the parent.

Step four: De-escalation

If poor behaviour continues and is disrupting the learning of others:

- In Early Years/Year 1, an adult will phone the office to request a member of SLT/HLTA Inclusions to attend.
- In Year 2/KS2, a child from the class will be sent to the office to locate a member of SLT.

The member of SLT/HLTA Inclusions will then speak to the child involved. ‘Unfortunately, your behaviour has not improved since your first consequence. How do you need to change your behaviour to be successful in class?’

Step five: Detention

If poor behaviour continues despite the de-escalation conversation, the child will be told that they now have a lunchtime **detention** with a member of SLT which will be 20 minutes for EY and 30 minutes for KS1 and 2. The adult will update the behaviour slip and the member of SLT will contact the parent. During this detention, there will be a restorative conversation and a reflection form (see appendix 5) will be completed when appropriate.

NB For a serious incident – a senior member of staff/HLTA Inclusions may approve a child being fast- tracked directly to step 5 (detention).

Examples of extreme behaviour which could result in being fast-tracked to step 5:

- Deliberate damage to school equipment/school buildings or structure
- Foul and abusive language to others
- Hurting others deliberately (kicking, punching etc)
- Stealing
- Prejudicial behaviour e.g. racism
- Leaving the school site without permission

If a child demonstrates any of these behaviours, SLT/HLTA Inclusions should be notified immediately.

A consequence chart will be displayed in every classroom (See appendix 2)

If a child receives a behaviour slip during a half term, they will miss half of the reward afternoon. Two slips or more will result in the loss of the whole reward. During the reward time, children will complete a reflective activity relating to the importance of our values and Golden Rules.

Every child will start afresh the next day with a clean slate and have an opportunity to choose more appropriate behaviour.

Behaviour Policy

6. Lunchtime Behaviour

If negative behaviour is seen during playtime or lunchtime this must be dealt with swiftly and consistently. Staff on duty should take the following steps:

- Move down to the level of the child and adopt open body language.
- Use neutral body language to avoid further aggravating the situation e.g., not folding arms/ wagging fingers.
- Remain calm and use a talking voice. Shouting is never acceptable.
- Listen to the child, do not jump to a conclusion and ensure that you have the views of all children involved.
- If appropriate issue the child with a reminder that their behaviour is not acceptable.
- If the behaviour continues remove the child from their play and give the child a 10-minute time out alongside the member of staff on duty. Fill in a behaviour slip and inform the class teacher.
- If the behaviour continues, then a member of SLT will be called for step 4 de-escalation.

7. Teaching the Expected Behaviour

In order to establish consistency in the way behaviour is taught across the school, we will:

What we will do	How we will do it
<p>Teach children the vision and values of the school and establish what they look like in the classroom, the playground and in the wider school environment.</p>	<p>The vision and values will be taught initially through whole school assemblies (and then reinforced in phase and class assemblies throughout the year).</p> <p>The language of personal best is consistently used by all staff to support behaviour management.</p> <p>The values will be displayed in classrooms and shared areas so that they can be referred to regularly.</p>
<p>Teach children the golden rules and establish what they look like in the classroom, the playground and in the wider school environment.</p>	<p>The golden rules will be taught initially through whole school assemblies (and then reinforced in phase and class assemblies throughout the year).</p> <p>At the start of the year, the teacher will explicitly teach and practise the golden rules with their class. Golden rule exemplification will be shared with all adults (see appendix 6)</p> <p>The golden rules will be displayed in classrooms and shared areas so that they can be referred to regularly.</p>
<p>Teach children strategies to support positive behaviour choices.</p> <p>Highlight and promote good behaviour choices</p>	<p>Teachers will teach the children 'silent signals' to represent: stop and listen, magnet eyes (i.e. look this way), my turn, your turn, 1-2-3 (how to move from one activity to another) and partner talk.</p> <p>These signals will be modelled by all staff in all areas of the school.</p>

HISP Multi Academy Trust

Tanners Brook Primary School

Behaviour Policy

	Ensure that all staff are trained in the behaviour policy and behaviour strategies at least annually.
Have a clear system of rewards and consequences so that the children understand the expectations for behaviour	<p>Teachers to explain rewards and consequence steps to the children at the start of the year and regularly thereafter.</p> <p>Display rainbows (EY/KS1) and behaviour charts (KS2). Adults to use these to reinforce behaviour expectations through rewards and consequences.</p> <p>Each classroom to display the consequence steps so that they can be referred to regularly.</p>
Ensure that children and staff who join us part way through the year are taught/trained in our school behaviour system	<p>Staff to undertake an induction programme which includes expectations for behaviour management and the behaviour policy.</p> <p>Teacher to teach the new child the school systems and routines around the golden rules, vision and values and the expectation for excellent behaviour.</p> <p>Teacher to choose an appropriate, responsible child to be a positive role model and support their settling in.</p>

8. Reasonable Adjustments for Individuals

The school recognises its legal duty, under The Equality Act 2010, to prevent children with a protected characteristic from being at a disadvantage. Consequently, our approaches to challenging behaviour may be reasonably adjusted to cater to the needs of the individual.

The Deputy Head for Inclusion and the Special Educational Needs Co-ordinator (SENDCo) will evaluate a child who exhibits challenging behaviour and is not responding to the rewards and consequences highlighted in section 5. This will determine whether they have any underlying needs that are currently not being met.

When it is deemed that reasonable adjustments are needed for the child to be successful, we will work alongside the parent and child to create a personalised behaviour plan (appendix 7). This would be based on the systems and routines outlined in this policy - some of which would be adjusted to allow for their needs to be met. A review cycle will be put in place to review the effectiveness of the behaviour plan.

Where appropriate, support and advice will be sought from external agencies such as an Educational Psychologist, Pupil Referral Unit, etc.

9. Recording and Monitoring

When a behaviour incident reaches step 3 (consequence), a behaviour slip must be completed by the adult who is actioning the consequence and passed to the HLTA Inclusions at the end of the day.

Behaviour slips are recorded on Arbor weekly by the HLTA Inclusions.

HISP Multi Academy Trust

Tanners Brook Primary School

Behaviour Policy

Data will be analysed weekly to inform SLT/HLTA Inclusions of potential hotspots to be monitored the following week.

A report will be created every half term, highlighting children who have received a behaviour slip. This will be shared with teachers/relevant staff and will also inform which children attend reward afternoon.

This information will determine whether a behaviour plan needs to be put in place.

10. The Use of Positive Handling/Physical Restraint

In certain circumstances it may be required to apply reasonable, proportionate and necessary positive handling. The school follows guidance set out by the DfE which states that all members of school staff have a legal power to use reasonable force. At times, this can be as simple as offering a supportive hand for a child to take and for pupils with SEND, physical support can be a necessity to support them in accessing our school site.

If used, physical restraint should be proportionate, necessary and reasonable and only used as a last resort. Physical restraint may be used to:

- Remove a disruptive child from the classroom where they have refused to follow an instruction to do so
- Prevent a child leaving the classroom where allowing them to leave would risk their safety or lead to behaviour that disrupts the behaviour of others
- Prevent a child from attacking a member of staff or another child, or to stop a fight in the playground
- Restrain a child at risk of harming themselves through physical outbursts

All incidents involving the use of physical restraint must be recorded on a restrictive physical intervention record (RPI), reported to the Deputy Head for Inclusions and recorded on Arbor and CPOMS.

11. Searching/Confiscation

Senior leaders have the statutory power to search a child or their possessions where they have reasonable grounds to suspect that the child may have a prohibited item listed below:

- Chewing gum/sweets
- Energy drinks
- Mobile phones that have not been handed in on arrival
- Digital recording devices including SMART watches
- Smoking equipment (vapes, cigarettes etc)
- Alcohol
- Illegal drugs
- Fireworks and fun snaps
- Knives and weapons (including replicas)
- Sexually explicit images
- Any article that the member of staff reasonable suspects has been or is likely to be used to commit an offence, to cause personal injury or damage property

HISP Multi Academy Trust

Tanners Brook Primary School

Behaviour Policy

Senior leaders will always explain why a search is required and they will always be conducted in the presence of more than one member of staff. If a child does not agree to the search, parents/carers or the police will be contacted to provide further support. A search will not require the child to remove any clothing other than outer clothing (any item of clothing that is not worn wholly next to the skin or immediately over a garment that is being worn as underwear).

If an item is confiscated or a search is undertaken, parents/carers will be informed and it will be recorded on CPOMS/Arbor.

12. Off Site and Online Behaviour

Poor behaviour which occurs off site or online which is witnessed by a staff member (or reported to the school and found to be accurate) will be dealt with using the school's behaviour policy.

This could include bringing the school into disrepute when:

- Travelling to and from school
- Wearing the school uniform
- Taking part in a school related activity e.g. trip
- Taking part in online activity e.g. social media, chat rooms and gaming

13. Links with Other Policies

This behaviour policy is linked to the following policies:
