

Year 3 Homework and Stone Age

Dear Parents

As part of our History and Science work on the Stone Age and Rocks and Soils, we are having a Stone Age Day, which will take place on **Wednesday 18th December**. We intend to have a go at hunting and gathering, testing rocks and soils and investigating and making our own fossils.

On this day, we would like the children to dress up as a Stone Age person or an archaeologist. Please see the costume ideas below for inspiration. If dressing up as a Stone Age person, your child could wear anything with animal print, ideally no bright colours. If dressing up as an archaeologist your child could wear anything related to dinosaurs/bones, or even jeans, wellie boots and a plain t shirt.

In addition to this, over the half term holiday we would like the children to create a Stone Age project. They could make a model of Stonehenge, a poster, a fact file, some cave drawings or a painting. We will be awarding certificates to everyone who tries their personal best. The projects need to be brought into school by Monday 16th December so that we can share them in our Stone Age Day.

Yours sincerely

The Year 3 team
