The whole school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.

- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (child on child abuse).
- Recognise the potential for children with Special Educational Needs and Disabilities (SEND) to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Recognise that bullying may be affected and influenced by gender, age, ability and culture of those involved.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
