

English Homework

Your homework task is to portray the story (or part of it) in any way you would like to!

This might be a play script, a model of Dunsinane Castle, your own story map, a series of pencil drawings to show the story or characters, a PowerPoint, an animation etc. Be as creative as possible! We would love to see what your imagination can do!

You will have just over 5 weeks to do this so use your time wisely and ensure your final product shows how much time you have spent on it. **It is due in on Friday 7th November so please bring your creation into school on that day.**

We would like to showcase all of your Macbeth work, including the work done in school, so we are inviting parents to a Macbeth display in the KS2 hall on **Friday 7th November at 2.30pm.** Parents can enter through the school office.

We look forward to seeing and displaying your finished work!
