 **Want to win £300 just for you?**

 **Love art and digital design?**

Then this competition is for you!

The amazing **Playground Proms** team are redesigning their **logo and website** and they want **your** help! They're inviting creative young minds to design a brand-new logo that captures the excitement, fun, and energy of live orchestral music.

In the Summer Term 2025, you will remember that we were lucky enough to work with Playground Proms and experience their spectacular interactive show. Our children thoroughly enjoyed the event which included singing altogether, listening and watching the team play a range of instruments and having the opportunity to ask questions about music! When they contacted us with this competition offer, we knew we had to share it with you.

CALLING ALL YOUNG DIGITAL ARTISTS!

The winning design will:

- Become the **official Playground Proms logo**
 - Be featured on their **website, social media, and promotional materials** across the country
 - Earn the winner an amazing **£300 prize!**
-

The competition asks for **digital art**, so if you'd like to design your entry on your own device, you can email it directly to **info@playgroundproms.net**.

If you'd prefer to draw your design by hand, we can help you digitise it! Simply bring your artwork to the office with your **name, age, school, and contact details** attached, and Mr Marshall and Mrs Wynne will scan it for you so it can be entered into the competition.

Please feel free to email any finished designs to school and we can share them with your classes.

Thank you and good luck!

Mr Marshall and Mrs Wynne
