

Year R Learning Journey

Weeks beginning 5th January
and 12th January

Our topic for the next two weeks is *People who help us*

We will be learning about all the different people that help us. This will include us talking to people that help us (e.g. the doctor, policemen, firefighters, etc.) as well as reading different books like 'Busy people - vet'. We will be role playing different jobs and writing about these important people and how they are helping us.

In maths we will be learning about mass - looking if things are heavier or lighter.

We also will be looking at capacity - learning about full, half, and empty.

Please remember:

*School reopens on **Monday 5th January.**

*Please send your child to school with their water bottle every day. Staying hydrated helps them enjoy their learning and play even more!

* Please note that **P.E. day is changing** - both classes will now have their P.E. sessions on **Wednesday afternoons**, led by our sports coach. Do not forget to leave your child's P.E. bag at school.
Thank you!

Home challenge:

- Talk to your child about different people that may help them in their daily lives, such as family, teachers, doctors, dinner ladies, policemen, fire fighters...
- Watch and play games
[People who help me - Early years](#)
[Understanding the World - BBC Bitesize](#)
- Talk with your child about what to do when there is an emergency or if they got lost? Who would be best suited to help them? Role play different situations.
- Have a go at playing maths games - counting, matching, and ordering numbers to 10.
[The Gingerbread Man Game - Counting, Matching and Ordering game \(topmarks.co.uk\)](#)
- Have a go at community helper's exercise
[Community Helpers Exercise for Kids | When I Grow Up | Indoor Workout for Children](#)
- Read with your child and talk about the books that you read every day.
- This website provides some fun games to help your child to practise their sounds
