

Year R Learning Journey

Week beginning 23rd February

This week our topic will be *My diary*

We will be talking about our holiday and writing all about

our experiences and observations. We will be using letter sounds that we have learnt so far, using finger spaces, capital letters and full stops. We are going to include 'wow' words to describe our feelings. In oracy, the children will practise speaking in full sentences using the stem, "I want to tell you about...", helping them to share their ideas clearly and confidently.

In maths we will be learning about the numbers 9 and 10 - looking at composition, making these numbers in different ways and exploring different representations.

In our special jobs sessions, we will be learning about dance and performance art. We will also be learning about internet safety with Smarty the Penguin.

Please remember:

* To ensure that your child's book bag is in school every day with their reading book and reading log so we can read and change the book.

* Both classes have PE on **Monday** this half term. Please ensure your child has their PE kit in school. **Only plain gold studs are permitted** (no sleepers or pendants), and **all jewellery must be removed or taped/covered for PE**. If possible, please avoid wearing earrings on PE days.

* Also, please ensure that all your child's items are named: jumpers, shorts, t-shirt, shoes, etc.

Home Challenge:

- Make number cards to 10. Hold up a number card and ask your child to show the corresponding number of fingers or to do the corresponding number of actions (e.g. claps, jumps). Can they recognise all their numbers? Can they count accurately?
- Play some counting games with Teddy [Learning to Count up to 15 with Teddy Numbers Interactive Maths Game \(topmarks.co.uk\)](#)

- Read every day with your child for at least 15 min. talk about the book and make a record in their reading logs.
- In your child's bookbag should be **some flashcards** to help them with learning to read words **fluently**. Feel free to cut these up and use them to practise with your child. Can they read speedily? If your child is stuck, just say - special friends, fred talk, read the word.
- Enjoy yoga, stories and have fun with Encanto adventures. [Encanto ✨🔮🌈 A Cosmic Kids Yoga Adventure! \(youtube.com\)](#)
- Have a go at dancing [Let's Star Jump - Action Song for Kids! Songs for Kids By Debbie Doo - YouTube](#)

Have fun and remember you can always share your home learning with us!
