Y5 WINCHESTER SCIENCE CENTRE AND PLANETARIUM VISIT

Dear Parent/Carers

To support and enrich our science curriculum, we are very excited to have organised a trip to the Winchester Science Centre and Planetarium which will provide the children with an unforgettable experience whilst learning about the solar system. During the visit, the children will watch the planetarium show on the 360° cinema screen which will completely surround them, placing them right in the action. They will experience getting sucked into a black hole, flying through the Solar System and taking a flight in a cardboard rocket! On top of this, the children will attend a workshop at which they will learn more about space and explore the large number of hands-on exhibits on offer at the centre. It will certainly be a fun-packed day!

This visit will take place on **Monday 22nd June**. The children will leave school at 9.15am and will return by 2.45pm.

Children will need to wear school uniform and bring with them a packed lunch. Please ensure they have a non-fizzy drink and no glass bottles or cans. Children entitled to free school meals will have a lunch provided.

The cost of this trip is **£17.70**. This covers the cost of the coach and entrance to the centre (payment should be through Arbor). Please note, if we do not receive contributions, this trip will have to be cancelled.

Please make your online payment, complete and return the slip below and send back to school by **Monday 15th June**.

Yours sincerely,

Laura Phillips
UKS2 Phase Leader

Consent for Year 5 Trip to Winchester Science Centre and Planetarium 30th June 2025

Name of Child:Class:
