Water activities – Year 1 and Year 2

Dear Year 1 and Year 2 Parents/Carers,

To support the children in keeping cool in this hot weather, the children in Year 1 and Year 2 will be enjoying some supervised water fun activities **tomorrow** (Friday 10th July) during the afternoon.

To help your child take part comfortably, please send them to school wearing their **PE kit**. We also ask that they bring a **named bag** with **full change of clothes**, including **underwear, socks and shoes**, so they can get changed afterwards if needed.

Thank you for your support. We look forward to a fun and refreshing afternoon!

Kind regards,

The Year 1 and Year 2 Team
