What season is it? How can you tell the seasons are changing?

Animals and Humans

Can you identify different groups of animals?

PE and Games

Can you use your body to dance like a superhero? (exploring body movements)

Ball skills- Can you catch a ball?

Music

Sound Explorers

Can you identify sounds?

Art

Drawing/Printing

Can you draw trees using different marks?

Can you use your hands to print an animal?

How can you help your child at home?

Below are some suggested activities you may like to try with your child.

How to be an author

Research animal facts. Can you draw and label an animal?

Read with your child regularly. Can they read the sounds they have been learning?
Can you spot question marks when you are out and about?

How to be a scientist

Discuss with your child how the seasons are changing? How can we tell it is Autumn?

Using your animal research- play guess the animal. How are the animals different?

Ways to support your child:

Make sure your child attends school daily and punctually.

Read together daily and practise phonics.

Talk to your child about what they have been learning about in school.
