

Year R Learning Journey

Week beginning 2nd November

This week our topic will be 'Fireworks'!

We will be learning about fireworks and how to stay safe when we are watching them. We will be making fireworks pictures using glitter and splashing colours.

In Literacy the children will be learning about rhyming words and rhymes.

In maths lessons we will continue to work with our numbers and counting.

We will be learning to count accurately and write the number to match the number of objects that we counted.

Sounds of the week:

b f ff l h

How you can help at home:

- Practise name writing with your child (capital letter for first letter only) and help them to recognise their own name.
- Keep practising with your child daily their letter sounds and key words. Can they write them?
- Count objects around the house and get your child to write the number of objects.
- Read with your child as much as possible and talk about the books that you read.
- Sing phonics song

Words of this week:

the I go

Please remember:

* Tuesday is P.E. DAY — Please leave your child's PE bag at school. **Please remember to remove all jewellery on this day, or cover earrings with tape.**

* Please remember to label EVERYTHING; particularly school sweatshirts, t-shirts, coats and PE kits.

* Please remember to check your child's book bag and take out all the important letters that we send home.

Home Challenge:

We have made a home learning pack for you and your child to complete together at home over half term. It includes some of the things we have been learning so far such as number formation, letter formation and our key words. Please make sure you complete a little bit each day.
