

Year R Learning Journey

Week beginning 30th November

This week our topic will be 'Food'

We will be learning about different food and healthy eating. We will be writing shopping lists, making our own sandwich and writing instructions about it.

In maths we will begin to look at addition. We will be using objects and our fingers to work out addition sums and record addition number sentences.

The vocabulary for maths this week: add, addition, plus, more, altogether, total, equals, sum, number sentence.

Words of this week:

he me put

Please remember:

- * To ensure that your child has a water bottle in school every day.
- * Tuesday is P.E. DAY- please leave your child's PE bag at school.
- * As the weather is getting colder and colder please remember, that it is important to bring a coat to school every day as we are learning outside whatever the weather.

Sounds of the week:

qu ch

How you can help at home:

- Keep practising with your child daily their letter sounds and key words. Can they write them? Play a game of pairs or snap using key words.
- Read with your child and talk about the books that you read. When you have read with your child, please remember to write a comment in their reading record.

Home Challenge:

- Encourage your child to put their socks and shoes on themselves.
- Encourage your child to count and write numbers to 20.
- In your child's bookbag should be some number flashcards to help them with number recognition. Feel free to cut these up and use them to practise with your child.
- Play an addition game on a computer <https://www.mathplayground.com/ASBAlienAddition.html>
- Can your child write some simple CVC words (e.g. cat, sat, mat, rat) using their sounds?
- Make some sandwiches together!

You can draw, write or take a photo of your home challenge and bring it to school so we can all share!
