

11 March 2021

Dear parents/carers,

As you are probably aware, next Friday (19th March) is Comic Relief. In support of this charity, we will be holding a non-school uniform day on this day.

We will be accepting donations at your child's drop off point in the morning for those children who would like to take part.

If your child is due to come in PE kit on the 19th, please ensure that the clothes they wear are still appropriate for their PE lesson that day.

If your child is going to wear a red nose, please provide a small bag it can be placed into when they get into class (which should then be put in their tray or school bag) and remind your child that these **MUST NOT** be shared with anyone else on the day.

Thank you for your continued support

Yours sincerely,

Ingrid Dowse
Head of School
