

## The Big Ask

22 April 2021

Dear Parents/Carers,

The new Children's Commissioner, Dame Rachel De Souza, is launching a survey 'The Big Ask' to find out what our children really want and need for their future. She hopes to be able to use the findings to show the Government what children think, and what children need to live happier lives.

This is the largest ever survey of children and young people in England aged 4 to 17 and we are so excited that children at Tanners Brook will be taking part in it.

The majority of children will be given the opportunity to complete the survey in school. However, if your child is aged 4-5, then the survey also has some questions for parents about what you want for your child's future.

It would be fantastic if you could take part in this survey which is open between now and 19<sup>th</sup> May. The survey can be accessed by following the link below:

Thank you for your continuous support.

Yours sincerely,

The Early Years Team
